Approach

Each week begins with a good morning song and the concept is introduced. Most weeks, various themed activities will be available for families to explore at their own pace and can rotate through each activity. Other times, a large group activity may take place, before independent activities are presented. The coop day will end with an ending song and clean up.

Members will be asked to help when possible:

Leader: Members will contribute as a leader when possible (ideas and assistance will always be provided)

Extension Activity: Member(s) will assist the teacher in creating activities to supplement the theme

Field Trip Coordinator: Member(s) will plan optional field trips to provide supplemental options for the themes

Treasurer: One member will assist in managing the budget

Back Up Coordinator: Member(s) will have prepared materials and assist in case of emergencies or absent teachers.
